RE: Traffic Counts
Go-Cart Track
NYS Route 20
New Lebanon, New York

Dear Mr. Commander:

I contacted the Columbia County Highway Department about traffic counts on CR-9. After checking their records, they sent me the attached traffic counts from October 2008. This report is different from the one I used in my February 2, 2010, letter to you.

The average daily traffic count was listed at 603 vehicles per day. This is very low traffic for a two lane road. I would not expect your go-cart track to have any measurable impact to this road's capacity.

If you should have any questions or comments please feel free to call. Thanks

Very truly yours,

Patrick J. Prendergast, P.E.
