
DOG BITES:

If a dog bites you or if your dog bites any person, you are required to report the incident to the Columbia County Department of Health (518-828-3358) and/or the Dog Control Officer (518-378-1027). The biting dog must be quarantined for 10 (ten) days at the owner's expense.

DANGEROUS DOGS:

NYS Law defines a "dangerous dog" as any dog that:

- (1) without justification attacks a person and causes physical injury or death, or
- (2) poses a serious and unjustified imminent threat of harm to one or more persons, or
- (3) without justification attacks a service dog, guide dog, or hearing dog and causes physical injury or death.

Should you encounter such a dog, you must contact the Dog Control Officer (378-1027) or the NYS Police (794-8445). The law provides that any person may make a complaint to the Dog Control Officer of a dog attack upon a person or of a dog attacking, chasing or worrying a domestic animal. Upon receiving such a complaint, the Law requires that the DCO immediately inform the complainant of his/her right to commence a dangerous dog proceeding and, if there is a reason to believe the dog is a dangerous dog, the DCO is required to commence such a proceeding.

RABIES:

If you encounter, or your pet has contact with, an animal you believe may be rabid, contact the Columbia County Department of Health at 518-828-3358.

CONGRATULATIONS!

You are now responsible for a canine companion. The Town of New Lebanon has enacted certain legislation that all pet owners should be aware of. The purpose of our local DOG CONTROL LAW, in combination with NEW YORK STATE LAW, is to protect the health, safety, and well being of persons and property within the Town of New Lebanon. We hope this pamphlet will provide assistance with local regulations as well as New York State regulations.

LICENSING:

All dogs residing in New York State **must** be licensed². Licenses are issued at the Town Clerk's Office and are renewed annually. All dogs must be vaccinated against rabies; a dog license cannot be issued without proof of a valid rabies vaccination.

LICENSING PROCEDURE:

- **WHEN:**

When a dog reaches the age of **4 (four) months** or if it has been found to be running-at-large³, it is time to be licensed.

- **WHAT TO BRING:**

New Licenses: Bring a current rabies vaccination certificate and proof of spaying or neutering, if applicable, to the Town Clerk's Office.

License Renewals: Bring the 3 (three) part renewal form sent to you by the NYS Ag. & Markets, Animal Industry Division. Check the rabies information on the form. If the expiration date has passed or no rabies information is listed, you will need to bring a new rabies certificate. *(The clerk issuing the license must see the certificate, do not fill in the information yourself.)*

² Dogs residing in NYC are licensed with NYC Dept. of Health (Proof of said licensing is required).

³ Off the premises of the owner and in a public place or on private lands without the knowledge, consent, and approval of the owner of such lands.

- **FEES:**

Spayed/Neutered Dogs:
\$2.50 state fee + \$5.00 local fee = **\$7.50**

Unspayed/Unneutered Dogs:
\$7.50 state fee + \$5.00 local fee +
\$3.00 population control = **\$15.50**

- **TAGS:**

Upon licensing your dog for the first time, you will be given an identification tag for your dog to wear. The number on the tag will coincide with the license number on the paper license the clerk issues. Section 119 of the NYS Ag. & Markets Law **requires** that your dog wear this tag for identification purposes. Failure to do so may result in issuance of a ticket, seizure of your dog, and/or fines.

Lost Tags: If the tag is lost, you may order a new tag from the Town Clerk for \$1.50. The replacement tag is mailed to you within 6 (six) to 8 (eight) weeks.

NOTIFICATION OF CHANGES:

NYS Law **requires** that the owner of record⁴ notify the municipal clerk:

- If dog is **deceased**, on or before **receipt of renewal form**.
- **Within 10 days** of the change if:
 - Owner has a **change of address**, or
 - Dog is **lost or stolen**, or
 - Dog is transferred to a **new owner**. (Under NYS Law, the owner of record is responsible for the dog and any violations until notice is received.)

Failure to provide notification within the time frames noted is a violation and subject to fines up to \$300.00.
