Request for SP/SPR for Document Storage/Shredding warehouse  
County Rt. 9 (Former MC Mold & Tool Building owned by Polacinski)

The public hearing on the above noted case was called to order at 7:37 pm.

Kevin Brown asked the applicants the amount of anticipated truck usage. Mr. Light stated that they will utilize one truck initially. Maybe in 5 years or so they may utilize up to four trucks for deliveries but have no intentions to store trucks on the property.

Karin Brown asked if there were any plans to grow the business out into the field. Mr. Light stated "No" all business is conducted within the confines of the building. Paper will be shredded and bailed and hauled off to recycle. There are no plans for outdoor storage. Ms. Brown stated she only asked because she would hate to see it look like a dump after 5 or 10 years. Mr. Light said that he has run a business in Chatham for over 20 years and they take care of people's assets; home and property. This business is a spin-off of that; taking care of their records.

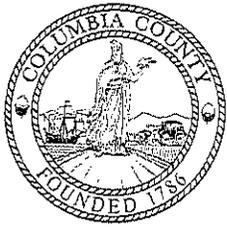

Jack Pandey asked if there would be an operator hired to run the security cameras or if the system is automatic. Mr. Light said that their surveillance system is powered by remote battery and that they can monitor via the internet.

With no further questions or comments the public hearing was closed at 7:43 pm.

Respectfully submitted,

RE: Referral #13-047 – Certified Document Security, LLC, Special Use Permit and Site Plan Review

Dear Chairman Herrmann:

Pursuant to the provisions of New York State General Municipal Law (NYSGL) §239-1 and §239-m, the referral of the Certified Document Security, LLC, application for Special Use Permit and Site Plan Review was received by the Columbia County Planning Board (CCPB) on 26 November 2013 for review and recommendation. This referral was placed on the agenda for the CCPB 17 December 2013 meeting. However, because of inclement weather the CCPB meeting scheduled for 17 December 2013 was cancelled, and therefore no action was taken on this referral. It is not anticipated that another meeting of the CCPB will be held before the next regular meeting of the CCPB, scheduled for 21 January 2014.

Please notify the Columbia County Planning Department if the New Lebanon Planning Board intends to re-submit this proposed action for the 21 January 2014 meeting of the CCPB.

Please contact Columbia County Planning and Economic Development at 518.828.3375 or [patrice.perry@columbiacountyny.com](mailto:patrice.perry@columbiacountyny.com) for additional information.

Sincerely yours,

  
Timothy Stalker,  
Chair
