

10.12.2015 Meeting Minutes, Town of New Lebanon Conservation Advisory Council
Samson Environmental Center, Darrow School
Attendees: Cynthia Creech, David Farren, Craig Westcott. Guest: Bruce Shenker
Call to order 6:33 pm
Adjourned at 8:00 pm

The CAC resolved that our liaison to the town board, Dan Evans, will henceforth receive minutes from all CAC meetings as he did with those from the previous meeting.

Bruce Shenker will present at the town board meeting 10/13/15 regarding Chris Gibson's proposed climate bill and the possibility of bringing Robin Reynolds of Climate Action Associates to consult with the town. The CAC supports these actions and will advocate for adoption at the meeting.

The CAC will work to confirm whether it has received the DEC estuary grant for the NRCP.

The next meeting of the New Lebanon CAC will occur on Monday, November 16, 2015, at the Samson Environmental Center at Darrow School, 6:30-8:00 PM.
